

New Mexico – On Saturday, May 15th, Congressman Harry Teague will travel to southeastern New Mexico to meet with local veterans and constituents.

He will start his day by attending the commencement ceremony for cadet graduates at the New Mexico Military Institute (NMMI) in Roswell. After the commencement ceremony, Harry Teague will attend a reception for the graduating class where he will talk with cadets and their families about their experiences at NMMI and their plans for the future.

Following the events at NMMI, Congressman Teague will travel to Carlsbad where he will host a Veterans Caregivers Roundtable at VFW Post 8703. The discussion will focus on the implementation of his Veterans Caregivers bill that was signed into law last week with veterans, their caregivers and veterans groups. The provisions in the caregivers act allow for the VA to reimburse veteran caregivers for expenses incurred in transporting vets to medical appointments in far off places. Local veterans and caregivers are encouraged to attend.

All interested media are invited to attend.
